§ 3253. Army: persons not qualified

(a) No person who is insane, intoxicated, or a deserter from an armed force, or who has been convicted of a felony, may be enlisted or mustered into the Army. However, the Secretary of the Army may authorize exceptions, in meritorious cases, for the enlistment or muster into the Army of deserters and persons convicted of felonies.

(b) No person whose service during his last term of enlistment was not honest and faithful may be reenlisted in the Army. However, the Secretary may authorize the reenlistment or muster into the Army of such a person if his conduct after that service has been good.

(c) In time of peace, no person may be accepted for original enlistment in the Army unless he is, or has made a legal declaration of intention to become, a citizen of the United States.

§ 3254. Army: during war or emergency

Except as provided in section 3256 of this title and except for enlistments as Reserves of the Army—

(1) temporary enlistments in the Army entered into in time of war or of emergency declared by Congress shall be for the duration of the war or emergency plus six months; and

(2) only persons at least 18 years of age and otherwise qualified under regulations to be prescribed by the Secretary of the Army are eligible for such enlistments.

However, a person who last served in one of the highest three enlisted grades may be reenlisted for an unspecified period on a career basis. No age limitation applies to reenlistments. No enlisted member is entitled to be reenlisted for a period that would expire before the end of his current enlistment.

(c) An enlistment in the Regular Army in effect at the outbreak of a war or entered into during a war, unless sooner terminated by the President, continues in effect until six months after the termination of that war.

(d) Subject to subsection (e), a person is enlisted in the Regular Army in the grade prescribed by the Secretary.

(e) A person who, upon his discharge from the Regular Army, is recommended for reenlistment is entitled to be reenlisted in the grade held by him when discharged, if he applies therefor within a period to be specified by the Secretary, but not later than three months after his discharge. However, a person who has been discharged from the Regular Army because of the acceptance of his resignation is

not entitled, upon reenlistment, to the grade held by him when discharged.

(f) This section does not deprive a person of any right to be reenlisted in the Regular Army under any other provision of law.

Any former enlisted member of the Regular Army who has served on active duty as a reserve officer of the Army, or who was discharged as an enlisted member to accept a temporary appointment in the Army, is entitled to be reenlisted in the Regular Army in the enlisted grade that he held before his service as an officer, without loss of seniority or credit for service, if his service as an officer terminated honorably, and he applies for reenlistment within six months or such other period as the Secretary of the Army prescribes for exceptional circumstances after the termination of that service, regardless of the existence of a vacancy in his grade or of a physical disability incurred or having its inception in line of duty.

§ 3259. Army Reserve: transfer from Army National Guard of United States

Under such regulations as the Secretary of the Army may prescribe and with the consent of the governor or other appropriate authority of the State or Territory, Puerto Rico, the Canal Zone, or the District of Columbia, whichever is concerned, an enlisted member of the Army National Guard of the United States may be transferred in grade to the Army Reserve. Upon transfer, he is eligible for promotion to the highest regular or reserve grade ever held by him in the Army, if his service has been honorable.

§ 3260. Army Reserve: transfer to upon withdrawal as member of Army National Guard

Unless discharged from his enlistment as a Reserve, an enlisted member of the Army National Guard of the United States who ceases to be a member of the Army National Guard becomes a member of the Army Reserve. An enlisted member who so becomes a member of the Army Reserve ceases to be a member of the Army National Guard of the United States.

§ 3283. Commissioned officers: appointment without specification of branch; transfer between branches

(a) Appointments in commissioned grades in the Regular Army shall be made without specification of branch except in each of the special branches, in the Women's Army Corps, and as professors of the United States Military Academy.

§ 3284. Commissioned officers: appointment, how made

Appointments in commissioned grades in the Regular Army shall be made by the President, by and with the advice and consent of the Senate.

(b) The maximum ages specified in subsection (a) are increased by the period of active commissioned service in the Army after December 31, 1947, and performed after the appointee became 21 years of age and before his appointment. However, a maximum age is not so increased by more than five years.

§ 3287. Commissioned officers: original appointment; service credit

(a) For the purpose of determining grade, position on a promotion list, seniority in his grade in the Regular Army, and eligibility for promotion, a person originally appointed in a commissioned grade in the Regular Army, except a person appointed under section 3291 or 3294 (a) of this title, shall be credited at the time of his appointment with the active commissioned service in the Army after December 31, 1947, that he performed after becoming 21 years of age and before his appointment. However, not more than five years of service may be so credited.

(b) A person originally appointed in a commissioned grade in the Regular Army in one of the following branches, except a person appointed under section 3294 (a) of this title, shall be credited at the time of his appointment, in addition to the service with which he is credited under subsection (a), and for the same purposes, with the following service:

(d) Notwithstanding any other provision of law, no person who was a cadet at the United States Military Academy may be originally appointed in a commissioned grade in the Regular Army before the date on which his classmates at the Academy are graduated and appointed as officers. No person who was a cadet at, but did not graduate from, the Academy may be credited, upon appointment as a commissioned officer of the Regular Army, with longer service than that credited to any member of his class at the Academy whose service in the Army has been continuous since graduation.

(e) A graduate of the United States Military Academy who is originally appointed as a second lieutenant in the Regular Army under section 4353 (b) of this title is not entitled to any service credit under this section.

§ 3288. Commissioned officers: original appointment; determination of grade

Except as provided in section 3294 of this title, based upon the service credited under section 3287 of this title, the commissioned grade in which a person is originally appointed in the Regular Army is:

- (1) For persons with less than three years of service—second lieutenant.
- (2) For persons with at least three, but less than seven, years of service—first lieutenant.
- (3) For persons with at least seven years of service—captain.

§ 3289. Commissioned officers; Medical Corps: original appointment; professional examination

§ 3290. Commissioned officers; Medical Service Corps: original appointment; additional qualifications, grade

- (3) Graduates of an accredited school of pharmacy or optometry, or of a school or college who hold a degree in a science allied to medicine or any other degree approved by the Surgeon General.

§ 3291. Commissioned officers; Army Nurse Corps and Women's Medical Specialist Corps: original appointment; additional qualifications, grade

(a) An original appointment in the Regular Army in the Army Nurse Corps or the Women's Medical Specialist Corps may be made in the grade of—

- (1) second lieutenant, from women who on the date of nomination have not already passed their twenty-seventh birthday, and who are not qualified for appointment in the grade of first lieutenant under clause (2); and
- (2) first lieutenant, from women who on the date of nomination have not already passed their thirtieth birthday.

The maximum ages specified in this subsection are increased by the period of active commissioned service in the armed forces after December 31, 1947, but not by more than five years.

(b) To be eligible for appointment in the Army Nurse Corps under this section a woman must be a graduate of a hospital or university training school and a registered nurse.

§ 3292. Commissioned officers; Judge Advocate General's Corps: original appointment; additional qualifications, grade

Commissioned officers of the Regular Army in other branches may be originally appointed in the Judge Advocate General's Corps in the grades of first lieutenant through colonel.

§ 3293. Commissioned officers; Chaplains: original appointment; examination

No person in civil life may be originally appointed as a chaplain in the Regular Army unless he has passed an examination prescribed by the President as to his moral, mental, and physical qualifications.

§ 3294. Commissioned officers; Medical and Dental Corps: original appointment; additional method authorized as exception to general procedure

(a) Notwithstanding sections 3285, 3286, and 3287 of this title, original appointments in the Regular Army may also be made in grades of captain through colonel in the Medical Corps and the Dental Corps, as the needs of the Army require. These appointments may be made only from qualified civilian doctors of medicine and dentists who are citizens of the United States and who have such other qualifications as the Secretary of the Army may prescribe.

(b) An officer appointed under subsection (a) shall be credited for promotion with the minimum number of years of service required for promotion of officers of the corps to the grade in which he is appointed.

§ 3295. Commissioned officers: original appointment; determination of place on promotion list.

The name of each person originally appointed in a commissioned grade in the Regular Army shall be placed on the applicable promotion list, if any, immediately below the junior officer of the same grade having the same or next longer service.

§ 3296. Promotion lists: promotion-list officer defined; determination of place upon transfer or promotion

(a) The names of all commissioned officers in grades below brigadier general on the active list of the Regular Army, except those of the Army Nurse Corps and the Women's Medical Specialist Corps, those in special categories otherwise excluded under law, and professors of the United States Military Academy, shall be carried on promotion lists in descending order of grade and rank in the Regular Army. These officers may be called "promotion-list officers".

(b) A separate promotion list shall be maintained for commissioned officers of the Regular Army in each of the following:

- (1) The Chaplains.

(2) The Women's Army Corps.

(3) Each of the several branches of the Army Medical Service, except the Army Nurse Corps and the Women's Medical Specialist Corps.

(c) The names of all promotion-list officers not on a list maintained under subsection (b) shall be carried on the Army promotion list.

(d) If a promotion-list officer is transferred from one branch to another whose officers are carried on a different promotion list, his name shall be placed upon the promotion list to which he is transferred among the officers of his grade in accordance with seniority as determined under section 3574 (b) of this title.

(e) Unless specifically provided otherwise, upon the promotion of a promotion-list officer, his name shall be placed at the foot of the list of officers of his grade.

§ 3297. Selection boards

(a) Under such regulations as he may prescribe, the Secretary of the Army shall detail selection boards, to meet at times prescribed by him, to recommend promotion-list officers and brigadier generals of the Regular Army for promotion in the Regular Army. Each board shall be composed of at least five officers of the Regular Army who hold a regular or temporary grade above lieutenant colonel, and who are senior in regular grade to, and who outrank, any officer considered by that board. However, a selection board considering promotion-list officers of the Women's Army Corps under section 3300 (a) or (b) of this title may include officers of the Regular Army in that corps whose regular or temporary grades are above major.

(b) No selection board may serve longer than one year and no member may serve on two consecutive boards for promotions to the same grade, if the second board considers any officer considered but not recommended for promotion by the first.

(c) Each member of a selection board must swear that he will perform his duties without prejudice or partiality, having in view the special fitness of officers and the efficiency of the Army.

(d) Except as otherwise provided by law, promotion-list officers and brigadier generals of the Regular Army may be promoted to the regular grades of captain through major general only when recommended by a selection board. A recommendation for promotion must be made by the majority of the total membership of the board.

(e) Not later than 10 days after a board first meets, any officer eligible for consideration by that board is entitled to send a letter, through official channels, calling attention to matters of record in the Department of the Army concerning himself that he considers important. The letter may not contain any reflection upon the character, conduct, or motives of any officer, or criticism of any officer.

§ 3298. Commissioned officers: promotion to first lieutenant; effect of failure of promotion

(a) A promotion-list officer in the grade of second lieutenant shall be promoted to the regular grade of first lieutenant upon completing three years of service with which he is entitled to be credited for promotion. If a promotion-list officer in that grade is found to be not fully qualified, he shall be discharged under section 3814 of this title.

(b) Vacancies in the grade of first lieutenant on a promotion list may be filled by promoting second lieutenants on that list with less than three years of service, in order of seniority, under regulations prescribed by the Secretary of the Army.

§ 3299. Commissioned officers: promotion to captain, major, or lieutenant colonel

(a) Promotion-list officers shall be promoted to the regular grades of captain, major, and, except as provided in subsection (f), lieutenant colonel, under subsections (b) and (c), or eliminated from the active list under section 3303 of this title.

(b) Without regard to vacancies, each promotion-list officer whose regular grade is first lieutenant, captain, or major shall be considered by a selection board for promotion to the next higher regular grade, far enough in advance of the date on which he will complete 7, 14, or 21 years of service with which he is entitled to be credited for promotion, as the case may be, that, if recommended, he may be promoted on the date on which he will complete that service.

(c) Having in view the number of actual and anticipated vacancies on a promotion list in the regular grade of captain, major, or lieutenant colonel, the Secretary of the Army may direct a selection board to consider and recommend officers on that list for promotion to the next higher regular grade without regard to length of service. However, no officer may be considered for promotion under this section more than two years before the date on which it is anticipated that he will be promoted if recommended, and unless the same board considers all officers above him on that list who are not on a recommended list.

(d) The names of promotion-list officers recommended for promotion under this section shall be carried on permanent recommended lists of their grade and promotion list in the same order among themselves as on the applicable promotion list, and they shall be promoted in that order. A promotion may be made whenever there is a vacancy; but it is not mandatory that the authorized numbers be maintained in any grade on any promotion list.

(e) Whenever an officer is promoted under subsection (b), all officers in the same grade and on the same promotion list whose names are on the recommended list above that of the officer who must be promoted because of length of service shall be promoted at the same time and shall retain among themselves their existing seniority.

(f) Promotion-list officers of the Women's Army Corps may be promoted to the regular grade of lieutenant colonel only to fill vacancies in that grade and on that promotion list, and only when recommended by a selection board under regulations to be prescribed by the Secretary.

(g) A promotion-list officer who has been twice considered and not recommended for promotion to any one regular grade may not again be considered for promotion under this section.

§ 3300. Commissioned officers: promotion to captain, major, or lieutenant colonel; selection board procedure

(a) When promotion-list officers in the regular grade of first lieutenant, captain, or major are to be considered, under section 3299 of this title, by a selection board for promotion to the next higher regular

grade to fill existing or anticipated vacancies, the Secretary of the Army may direct the board to—

- (1) consider officers in the specified grade in the order of their seniority on the promotion list concerned;
- (2) recommend those who are fully qualified for promotion;
- (3) pass over those not so qualified; and
- (4) continue this procedure until the number of officers specified by him is recommended.

(b) When a promotion-list officer in the regular grade of first lieutenant, captain, or major must be considered under section 3299 of this title for promotion because of length of service, or because he is on a promotion list above an officer who must be considered for that reason, the Secretary may—

- (1) furnish the board a list of officers to be considered for promotion to the grade concerned; and
- (2) direct the board to recommend the officers on that list whom it considers fully qualified for promotion.

(c) Instead of the procedures set forth in subsection (a) or (b), the Secretary may furnish to the board a list of promotion-list officers to be considered and may direct it to recommend a number specified by him for promotion. The board shall recommend those officers whom it considers to be the best qualified. However, the number prescribed by the Secretary for recommendation must be at least 80 percent of those listed for consideration.

§ 3302. Commissioned officers; Medical, Dental, and Veterinary Corps: promotion to captain, major, or lieutenant colonel; professional examination

(a) No commissioned officer of the Medical Corps or the Veterinary Corps whose regular grade is below lieutenant colonel may be promoted in the Regular Army until he passes an examination of his professional fitness before an examining board composed of at least three commissioned officers of the Regular Army in the Medical Corps selected by the Secretary of the Army. No commissioned officer of the Dental Corps whose regular grade is below lieutenant colonel may be promoted in the Regular Army until he passes an examination of his professional fitness before an examining board composed of one commissioned officer of the Regular Army in the Medical Corps, and two commissioned officers of the Regular Army in the Dental Corps, selected by the Secretary. The examination shall be prescribed by the Secretary and shall be held at such time before the right to promotion accrues as may be in the best interest of the Army.

(b) If an officer of the Medical, Dental, or Veterinary Corps in the regular grade of first lieutenant or captain is found disqualified for promotion by the examining board, the Secretary shall detail a board of review to consider the findings of the examining board.

(c) A board of review shall be composed in the same manner as an examining board, except that its members must be senior in rank to the officer examined, and must not have served on the examining board that examined him.

(d) If the board of review concurs in the findings of the examining board, the officer shall be honorably discharged with one year's pay. If it does not concur in the findings, the officer shall be considered qualified and shall be promoted.

(e) An officer of the Medical, Dental, or Veterinary Corps in the regular grade of major who fails his first examination for promotion shall be suspended from promotion and reexamined as soon as practicable after one year from the date of his first examination. While he is so suspended from promotion, his name shall be removed from the recommended list and the years of service with which he is entitled to be credited for promotion purposes shall be reduced, if necessary, as provided in section 3303 (b) of this title.

(f) If on reexamination such a major is found qualified, his name shall be restored to the recommended list and he is eligible for promotion. If he is found disqualified for promotion, he shall be treated in the manner provided for deferred officers under section 3303 (d) of this title.

(g) While an officer is suspended from promotion under subsection (e), his right to promotion passes successively to the officers below him who are in the same grade and on the same promotion list, and who are or may become eligible for promotion.

(h) If the needs of the Army require that an officer entitled to promotion upon examination under subsection (a) be absent from a place where an examining board can be convened, the officer may be promoted, subject to examination as soon as practicable. However, if he is thereafter examined and found disqualified for that promotion, and if the proceedings are approved by the Secretary, he shall be treated as if he had been examined before promotion and had failed.

(i) If an officer who is found qualified for promotion under this section dies in line of duty after the occurrence of a vacancy that would entitle him to that promotion because of his seniority and before promotion, the President may issue, or have issued, an appropriate commission in the name of that officer. A commission issued under this subsection shall issue as of the date of the vacancy, and the officer's name shall be carried on the records of the Department of the Army as if he had served in the grade and branch in which posthumously commissioned, from the date of the vacancy to the date of his death. No person is entitled to any bonus, gratuity, pay, or allowance because of this subsection.

§ 3303. Commissioned officers: effect of failure of promotion to captain, major, or lieutenant colonel

(a) In this subtitle, "deferred officer" means a promotion-list officer considered for promotion to the grade of captain, major, or lieutenant colonel under section 3299 of this title, but not recommended for promotion.

(b) The years of service with which a deferred officer is entitled to be credited for promotion purposes shall be reduced so that one year after the date on which he would have been promoted had he been recommended by a selection board he will not have more than 7, 14, or 21 years of service, if in the grade of first lieutenant, captain, or major, as the case may be.

(c) A deferred officer shall be considered again by the next selection board considering officers of his grade and promotion list. If recommended by this board, his name shall be placed on the applicable recommended list with the other officers recommended by the board, in the same order among themselves as on the promotion list, but

below officers placed on that list by an earlier board. If a deferred officer is promoted upon the recommendation of the next board considering officers of his grade, his first failure does not count as a failure of selection when he is thereafter considered for promotion to another regular grade.

(d) A deferred officer who is not recommended by the next selection board considering officers of his grade and promotion list shall—

(1) if he is eligible, be retired under section 3913 of this title;

(2) if he is not eligible for retirement under section 3913 of this title, but is eligible for retirement under any other provision of law, be retired under that law on the date when he would have been retired under section 3913 of this title if he were eligible; or

(3) if he is not eligible for retirement under section 3913 of this title or any other provision of law, be honorably discharged on the date he would have been retired under section 3913 of this title if he were eligible, with severance pay computed by multiplying his years of service, but not more than 12, computed under section 3927 (a) of this title, by two months' basic pay of the grade in which he is serving on the date of his discharge.

(e) For the purposes of subsection (d) (3), a part of a year that is six months or more is counted as a whole year, and a part of a year that is less than six months is disregarded.

§ 3304. Commissioned officers; Army Nurse Corps and Women's Medical Specialist Corps: promotion to first lieutenant, captain, major, or lieutenant colonel

(a) Commissioned officers of the Regular Army in the Army Nurse Corps and the Women's Medical Specialist Corps shall be promoted to the regular grade of first lieutenant upon completing the service prescribed for promotion of promotion-list officers to that grade.

(b) Commissioned officers of the Regular Army in the Army Nurse Corps and the Women's Medical Specialist Corps shall be promoted to the regular grade of captain or eliminated from the active list in the manner prescribed for promotion-list officers in sections 3299, 3300, and 3303 of this title.

(c) Under regulations to be prescribed by the Secretary of the Army, commissioned officers of the Regular Army in the Army Nurse Corps and the Women's Medical Specialist Corps shall be promoted to the regular grade of major, by selection, to fill vacancies in that grade.

(d) Under regulations to be prescribed by the Secretary, commissioned officers of the Regular Army in the Army Nurse Corps shall be promoted to the regular grade of lieutenant colonel, by selection, to fill vacancies in that grade.

§ 3305. Commissioned officers: promotion to colonel

(a) Having in view the number of actual and anticipated vacancies in any promotion list in the regular grade of colonel and the number of officers desired in that grade on that promotion list, the Secretary of the Army shall furnish to selection boards lists of officers in the regular grade of lieutenant colonel, in order of seniority in regular grade, to be considered by those boards. The Secretary may not furnish the name of any officer to the board unless he furnishes to it the names of all officers above that officer on that promotion list who are

not on a recommended list. He shall direct the boards to recommend a number prescribed by him for promotion to the grade of colonel. The list furnished may not contain the name of any officer who is on a recommended list for promotion to that grade. The board shall recommend the prescribed number of those officers whom it considers to be the best qualified.

(b) Whenever the Secretary considers that the number of officers in the regular grade of colonel in any of the branches on the Army promotion list is or may become seriously unbalanced, he may direct that, of the officers recommended, prescribed numbers be recommended for service in specified branches.

(c) The names of officers recommended for promotion to the regular grade of colonel shall be entered at the foot of, and carried on, the appropriate permanent recommended list for promotion to that grade in the same order among themselves as on the applicable promotion list. Officers shall be promoted in that order when there is a vacancy in that grade for that list. A vacancy in that grade may be filled at any time. It is not mandatory that the authorized numbers be maintained in the grade of colonel on any promotion list.

(d) The ratio of the number of officers on any promotion list who are named for consideration for promotion to the regular grade of colonel, to the number directed to be recommended, may be prescribed by the Secretary.

(e) No officer may be considered for promotion to the regular grade of colonel more than two years before the date on which it is anticipated that he will be promoted if recommended.

(f) An officer must complete at least one year of service in the regular grade of lieutenant colonel before being nominated for promotion to the regular grade of colonel.

§ 3306. Commissioned officers: promotion to brigadier general

(a) Having in view the number of actual and anticipated vacancies in the regular grade of brigadier general and the number of officers desired in that grade, the Secretary of the Army shall furnish to selection boards lists of officers in the regular grade of colonel, in order of seniority in regular grade, to be considered by those boards. He shall direct the boards to recommend a number prescribed by him for promotion to the grade of brigadier general, but he need not direct the recommendation of a number sufficient to maintain the authorized number for that grade. The list furnished may not contain the name of any officer who is on a recommended list for promotion to that grade. The Secretary may further direct that a specified number of those recommended be officers with experience qualifying them for service in or with specified branches. The board shall recommend the prescribed number of those officers whom it considers to be best qualified.

(b) The names of officers recommended for promotion to the regular grade of brigadier general shall be entered at the foot of, and carried on, the permanent recommended list for promotion to that grade, in the order to be determined by the Secretary.

(c) If an officer is recommended for promotion to the regular grade of brigadier general and is not removed from the list by the

President, he may be nominated and appointed as soon as a vacancy exists in the authorized number for that grade.

(d) The ratio of the number of officers on any promotion list who are named for consideration for promotion to the regular grade of brigadier general, to the number directed to be recommended, may be prescribed by the Secretary.

(e) No officer may be considered for promotion to the regular grade of brigadier general more than one year before the date on which it is anticipated that he will be promoted if recommended.

(f) An officer must complete at least one year of service in the regular grade of colonel before being nominated for promotion to the regular grade of brigadier general.

(g) This section does not apply to the appointment of chiefs or assistant chiefs of branches.

§ 3307. Commissioned officers: promotion to major general

(a) Having in view the number of actual and anticipated vacancies in the regular grade of major general and the number of officers desired in that grade, the Secretary of the Army shall furnish to selection boards lists of officers in the regular grade of brigadier general, in order of seniority in regular grade, to be considered by those boards. He shall direct the boards to recommend a number prescribed by him for promotion to the grade of major general, but he need not direct the recommendation of a number sufficient to maintain the authorized number for that grade. The list furnished may not contain the name of any officer who is on a recommended list for promotion to that grade. The Secretary may further direct that a specified number of those recommended be officers with experience qualifying them for service in or with specified branches. The board shall recommend the prescribed number of those officers whom it considers to be best qualified.

(b) The names of officers recommended for promotion to the regular grade of major general shall be entered at the foot of, and carried on, the permanent recommended list for promotion to that grade, in the order to be determined by the Secretary.

(c) If an officer is recommended for promotion to the regular grade of major general and is not removed from the list by the President, he may be nominated and appointed as soon as a vacancy exists in the authorized number for that grade.

(d) The ratio of the number of officers on any promotion list who are named for consideration for promotion to the regular grade of major general, to the number directed to be recommended, may be prescribed by the Secretary.

(e) No officer may be considered for promotion to the regular grade of major general more than one year before the date on which it is anticipated that he will be promoted if recommended.

(f) An officer must complete at least one year of service in the regular grade of brigadier general before being nominated for promotion to the regular grade of major general.

(g) This section does not apply to the appointment of chiefs or assistant chiefs of branches.

§ 3308. Commissioned officers: effect of removal from recommended list by President or failure of confirmation by Senate

The President may remove from a recommended list for promotion to any grade the name of any promotion-list officer or brigadier general of the Regular Army who in his opinion is not qualified for promotion. If an officer's name is so removed, or if the Senate does not consent to his appointment, he continues to be eligible as if he had not been considered for promotion and may be recommended by the next selection board considering officers of his grade. If he is promoted on the recommendation of that board, he has the same date of rank and place on the promotion list that he would have had if he had been promoted as a result of his original selection. If the second board considers but does not recommend an officer who would be subject to elimination for second failure of selection for promotion to the grade concerned, or if he again fails of promotion because his name is removed from the recommended list by the President or because the Senate does not consent to his appointment, he shall be eliminated from the active list under section 3303 of this title.

§ 3309. Commissioned officers: physical examination for promotion

(a) The President may prescribe a system of physical examination for all commissioned officers of the Regular Army in grades below brigadier general to determine their fitness for promotion in the Regular Army. Each examination shall be given before the right to promotion accrues.

(b) If the needs of the Army require that an officer entitled to promotion upon physical examination under subsection (a) be absent from a place where an examining board can be convened, the officer may be promoted subject to examination as soon as practicable. However, if he is thereafter examined and found physically disqualified for that promotion, and if the proceedings are approved by the Secretary of the Army, he shall be treated as if he had been examined before promotion and had failed.

(c) If a commissioned officer fails to pass the physical examination and is reported unfit for promotion, the officer next below him on a recommended list for promotion who has passed the examination and is otherwise qualified shall be promoted.

§ 3310. Warrant officers: original appointment; qualifications

Original appointments as warrant officers in the Regular Army shall be made from persons who have served on active duty at least one year in the Army.

§ 3311. Officers: female; limitations on appointment

Except for those appointed as commissioned officers in the Medical Corps, Dental Corps, Medical Service Corps, Veterinary Corps, Army Nurse Corps, or Women's Medical Specialist Corps, women may be appointed as officers in the Regular Army only in the Women's Army Corps.

§ 3312. Officers: acceptance of promotion

(a) An officer who is promoted in the Regular Army is considered to have accepted his promotion on the date of the order announcing it, unless he expressly declines the promotion. He is entitled to the pay and allowances of the higher grade from that date, unless entitled to them from an earlier date under another provision of law.

(b) An officer need not take the oath of office upon promotion if his service since last taking it has been continuous.

§ 3313. Suspension of laws for promotion or mandatory retirement or separation during war or emergency

§ 3351. Officers: Army National Guard of United States

(a) Upon being federally recognized, an officer of the Army National Guard shall be appointed as a Reserve for service as a member of the Army National Guard of the United States in the grade that he holds in the Army National Guard. However, an officer of the Army Reserve who is federally recognized as an officer of the Army National Guard becomes an officer of the Army National Guard of the United States and ceases to be an officer of the Army Reserve. The acceptance of an appointment as a Reserve for service as a member of the Army National Guard of the United States by an officer of the Army National Guard does not vacate his office in the Army National Guard.

(b) When an officer of the Army National Guard to whom temporary Federal recognition has been extended is appointed as a Reserve for service as a member of the Army National Guard of the United States, his appointment shall bear the date of the temporary recognition and shall be considered to have been accepted and effective on that date.

(c) When the Army National Guard of the United States is ordered to active duty, any officer of the Army National Guard who is not a Reserve of the Army may be appointed by the President as a Reserve for service as a member of the Army National Guard of the United States in the grade that he holds in the Army National Guard.

§ 3352. Officers; Army Reserve: transfer from Army National Guard of United States

(a) Under such regulations as the Secretary of the Army may prescribe, and with the consent of the governor or other appropriate authority of the State or Territory, Puerto Rico, the Canal Zone, or the District of Columbia, whichever is concerned, an officer of the Army National Guard of the United States may be transferred in grade to the Army Reserve. Upon transfer, he is eligible for promotion to the highest regular or reserve grade ever held by him in the Army, if his service has been honorable.

(b) Unless discharged from his appointment as a Reserve, an officer of the Army National Guard of the United States whose Federal recognition as a member of the Army National Guard is withdrawn becomes a member of the Army Reserve. An officer who so becomes a member of the Army Reserve ceases to be a member of the Army National Guard of the United States.

§ 3354. Commissioned officers; Army Reserve: appointment of warrant officers and enlisted members of Army National Guard of United States

Notwithstanding any other provision of law, a warrant officer or enlisted member of the Army National Guard of the United States may without affecting that status or vacating his warrant or enlisted grade in the Army National Guard, be appointed as a reserve officer of the Army in the grade of first lieutenant or second lieutenant.

§ 3355. Commissioned officers; Army Reserve: appointment; R. O. T. C. graduates

The President alone may appoint any graduate of the junior or senior division of the Reserve Officers' Training Corps as a reserve commissioned officer for service in the Army Reserve, if that graduate—

- (2) has satisfactorily completed the further training prescribed in section 4385 of this title;
- (3) has participated after graduation in the practical instruction prescribed by the Secretary of the Army;
- (4) is at least 21 years of age; and
- (5) agrees under written oath to serve the United States as a reserve officer for at least five years from the date of his appointment, unless he is sooner discharged.

§ 3357. Female commissioned officers; Army Reserve: for service in Army Nurse Corps or Women's Medical Specialist Corps

§ 3394. Officers: acceptance of promotion

(a) An officer of the Army National Guard of the United States or Army Reserve who is promoted as a Reserve is considered to have accepted his promotion on the date of the order announcing it, unless he expressly declines the promotion. He is entitled to the pay and allowances of the higher grade from that date, unless entitled to them from an earlier date under another provision of law.

(b) An officer need not take the oath of office upon promotion if his service since last taking it has been continuous.

§ 3395. During war

In addition to appointments in time of war under chapter 339 of this title, appointments of reserve officers may be made in time of war.

(b) Whenever, under authorization by Congress, the number of commissioned officers of the Regular Army on active duty plus the number of other commissioned officers of the Army ordered to active duty for a period of more than 30 days is more than the authorized strength of the Regular Army in commissioned officers on the active list, the Secretary of the Army shall determine the additional number of officers in each of the commissioned grades based upon the number of officers serving on active duty and the tasks being performed by the Army. Vacancies resulting from that determination may then be filled by the appointment of qualified officers, as prescribed in subsection (c).

(c) Subject to subsections (a) and (b), a regular commissioned officer, or a reserve commissioned officer who is serving on active duty, may be appointed in a temporary grade that is equal to or higher than his regular or reserve grade, without vacating any other grade held by him. Under regulations to be prescribed by the Secretary, appointments made under this subsection shall be made on

a fair and equitable basis. Selections shall be based upon ability and efficiency with regard being given to seniority and age.

§ 3443. Commissioned officers; Reserves: appointment in higher or lower grade

(a) In addition to appointments authorized under section 3442 of this title, in time of war or of national emergency declared by the President, a regular officer or a reserve warrant officer may be appointed in a temporary grade that is higher than his regular or reserve grade, without vacating that grade.

(b) In addition to appointments authorized under subsection (a) of this section, and sections 3442, 3443, and 3444 of this title, in time of war a person who holds no commissioned grade in the Regular Army may be appointed in any temporary commissioned grade.

(c) Unless sooner vacated, the appointment of an officer under subsection (b), except a member of the Regular Army, is effective during the war in which it is made and for six months thereafter.

(d) Each officer appointed under subsection (b) shall, unless he is a member of the Regular Army, be relieved from active duty, at his request, within six months after the termination of the war.

§ 3446. Retention on active duty

Notwithstanding any other provision of law, the President shall retain on active duty any disabled officer who has only a temporary appointment until his physical condition is such that he will not be further benefited by retention in a military hospital or in the Army.

(a) The appointment of a person under sections 3442, 3443, 3444, and 3445 of this title shall be made without reference to any other appointment that he may hold in the Army.

(b) Temporary appointments of commissioned officers in the Army shall be made by the President alone in grades below brigadier general, and by the President, by and with the advice and consent of the Senate, in general officer grades.

§ 3448. Warrant officers: grades; appointment

(a) The temporary warrant officer grades in the Army are those prescribed for regular warrant officers by section 555 (a) of this title.

(b) Whenever, under authorization by Congress, the number of commissioned officers of the Army on active duty is more than the authorized strength of the Regular Army in commissioned officers on the active list, the Secretary of the Army shall determine the additional number needed in each of the warrant officer grades based on the number of warrant officers serving on active duty and the tasks being performed by the Army. The Secretary may appoint, by warrant, qualified persons as warrant officers to fill the vacancies resulting from that determination. Appointments under this subsection continue in effect during the pleasure of the Secretary. While holding such an appointment, a warrant officer may be ordered to active duty with any unit of the Army.

(c) A warrant officer appointed under subsection (b) is entitled—

(1) to count all periods of active duty under the appointment as warrant or enlisted service for all purposes; and

(2) to the benefits of all laws and regulations applicable to the retirement, pensions, and disability of members of the Army on active duty.

(d) If a person appointed under subsection (b) is a member of the Army at the time of his appointment, he may accept the appointment without prejudice to his existing status. Upon termination of his appointment he is entitled to the grade held at the time of that appointment.

He is entitled to the pay and allowances of the higher grade from that date, unless entitled to them from an earlier date under another provision of law.

(c) The enlisted members of the Army on duty at the United States Disciplinary Barracks shall be organized as infantry, with grades and organizational structure similar to infantry units of comparable size.

(d) The Secretary may designate all or part of any building under the control of the Department of the Army as a branch of the United States Disciplinary Barracks for the confinement of offenders whom it is impracticable to send to the United States Disciplinary Barracks. CHAPTER 371.—COMPUTATION OF RETIRED PAY

Sec.

3991. Computation of retired pay.

3992. Recomputation of retired pay to reflect advancement on retired list.

§ 3991. Computation of retired pay

The monthly retired pay of a person entitled thereto under this subtitle is computed according to the following table. For each case covered by a section of this title named in the column headed "For sections", retired pay is computed by taking, in order, the steps prescribed opposite it in columns 1, 2, 3, and 4, as modified by the applicable footnotes. However, if a person would otherwise be entitled to retired pay computed under more than one pay formula of this table or the table in section 1401 of this title, he is entitled to be paid under the applicable formula that is most favorable to him. Section references below are to sections of this title.

For- mula	For sec- tions	Column 1 Take	Column 2 Multiply by	Column 3 Add	Column 4 Subtract
A	3881 3882 3912	Monthly basic pay to which member would be entitled if she were on active duty in her retired grade.	2½% of years of service credited to her under section 3887 or 3928, whichever is applicable. ¹		Excess over 75% of pay upon which computation is based.
B	3883 3884 3885 3886 3913 3915 3916 3919 3921 3922 3923	Monthly basic pay to which member would be entitled if he were on active duty in his retired grade. ¹	2½% of years of service credited to him under section 3888 or 3927 (b), whichever is applicable. ¹	Amount necessary to increase product of columns 1 and 2 to 50% of pay upon which computation is based.	Excess over 75% of pay upon which computation is based.
C	3911 3918 3920 3924	Monthly basic pay ² of member's retired grade. ¹	2½% of years of service credited to him in determining basic pay. ⁴		Excess over 75% of pay upon which computation is based.
D	3914	Monthly basic pay to which member was entitled on date when he applied for retirement.	2½% of years of service credited to him under section 3925. ⁴	10% of product of columns 1 and 2 for extraordinary heroism in line of duty. ⁵	Excess over 75% of pay upon which computation is based.
E	3917	Monthly basic pay ³ of member's retired grade.	2½% of years of service credited to him under section 3925. ⁴		Excess over 75% of pay upon which computation is based.

¹ For the purposes of this subtitle, determine member's retired grade as if neither section 3962 (a) nor 3962 (d) applied.

² Compute at rates applicable on date of retirement and adjust to reflect later changes in applicable permanent rates. However, if member's retired grade is determined under section 3962 (c), 3963 (a), or 3963 (b), or if member has served four years as Chief of the Medical Service Corps, use pay to which member would be entitled if he were on active duty in his retired grade.

³ Compute at rates applicable on date of retirement.

⁴ Before applying percentage factor, credit a part of a year that is six months or more as a whole year, and disregard a part of a year that is less than six months.

⁵ The Secretary of the Army's determination as to extraordinary heroism is conclusive for all purposes.

§ 3992. Recomputation of retired pay to reflect advancement on retired list

A member of the Army who is advanced on the retired list under section 3964 of this title is entitled to recompute his retired pay as follows:

Column 1 Take	Column 2 Multiply by	Column 3 Add	Column 4 Subtract
Monthly basic pay or base and longevity pay, as the case may be, ¹ of grade to which member is advanced on retired list.	2½% of years of service credited to him under section 3925 of this title. ²		Excess over 75% pay upon which computation is based.

(c) A candidate designated as a principal or an alternate for appointment as a cadet shall appear for physical examination at a time and place designated by the Secretary.

(d) To be admitted to the Academy, an appointee must take and subscribe to the following oath—

"I, _____, do solemnly swear that I will support the Constitution of the United States, and bear true allegiance to the National Government; that I will maintain and defend the sovereignty of the United States, paramount to any and all allegiance, sovereignty, or fealty I may owe to any State or country whatsoever; and that I will at all times obey the legal orders of my superior officers, and the Uniform Code of Military Justice."

If a candidate for admission refuses to take this oath, his appointment is terminated.

§ 4347. Cadets; nominees: effect of redistricting of States

If as a result of redistricting a State the domicile of a cadet, or a nominee, nominated by a Representative falls within a congressional district other than that from which he was nominated, he is charged to the district in which his domicile so falls. For this purpose, the number of cadets otherwise authorized for that district is increased to include him. However, the number as so increased is reduced by one if he fails to become a cadet or when he is finally separated from the Academy.

§ 4348. Cadets: agreement to serve as officer

Each cadet who is a citizen or national of the United States shall sign an agreement that, unless sooner separated, he will—

- (1) complete the course of instruction at the Academy;
- (2) accept an appointment and serve as a commissioned officer of the Regular Army or the Regular Air Force for at least the three years immediately after graduation; and
- (3) accept an appointment as a commissioned officer as a Reserve for service in the Army Reserve or the Air Force Reserve and remain therein until the sixth anniversary of his graduation, if an appointment in the regular component of that armed force is not tendered to him, or if he is permitted to resign as a commissioned officer of that component before that anniversary.

If the cadet is a minor and has parents or a guardian, he may sign the agreement only with the consent of the parents or guardian.

§ 4349. Cadets: organization of Corps; service; instruction

(a) The Corps of Cadets shall be divided into companies, as directed by the Superintendent, for the purpose of military instruction. Each company shall be commanded by a commissioned officer of the Army.

(c) The course of instruction at the Academy is four years.

(d) The Secretary of the Army shall so arrange the course of studies at the Academy that cadets are not required to pursue their studies on Sunday.

(e) The Corps of Cadets shall be trained in the duties of members of the Army, shall be encamped at least three months in each year, and shall be trained in all duties incident to a camp.

§ 4350. Cadets: clothing and equipment

(a) The Secretary of the Army may prescribe the amount to be credited to a cadet, upon original admission to the Academy, for the cost of his initial issue of clothing and equipment. That amount shall be deducted from his pay. If a cadet is discharged before graduation while owing the United States for pay advanced for the purchase of required clothing and equipment, he shall turn in so much of his clothing and equipment of a distinctive military nature as is necessary to repay the amount advanced. If the value of the clothing and equipment turned in does not cover the amount owed, the indebtedness shall be canceled.

(b) Under such regulations as the Secretary may prescribe, uniforms and equipment shall be furnished to a cadet at the Academy upon his request.

§ 4351. Cadets: deficiencies in conduct or studies; effect of failure on successor

(a) A cadet who is reported as deficient in conduct or studies and recommended to be discharged from the Academy may not, unless recommended by the Academic Board, be returned or reappointed to the Academy.

(b) Any cadet who fails to pass a required examination because he is deficient in any one subject of instruction is entitled to a reexamination of equal scope and difficulty in that subject, if he applies in writing to the Academic Board within 10 days after he is officially notified of his failure. The reexamination shall be held within 60 days after the date of his application. If the cadet passes the reexamination and is otherwise qualified, he shall be readmitted to the Academy. If he fails, he may not have another examination.

(c) The failure of a member of a graduating class to complete the course with his class does not delay the admission of his successor.

§ 4352. Cadets: hazing

(a) Subject to the approval of the Secretary of the Army, the Superintendent of the Academy shall issue regulations—

- (1) defining hazing;
- (2) designed to prevent that practice; and
- (3) prescribing dismissal, suspension, or other adequate punishment for violations.

(b) If a cadet who is charged with violating a regulation issued under subsection (a), the penalty for which is or may be dismissal from the Academy, requests in writing a trial by a general court-martial, he may not be dismissed for that offense except under sentence of such a court.

(c) A cadet dismissed from the Academy for hazing may not be reappointed to the Corps of Cadets, and is ineligible for appointment

as a commissioned officer in a regular component of the Army, Navy, Air Force, or Marine Corps, until two years after the graduation of his class.

§ 4353. Cadets: degree and commission on graduation

(a) Under such conditions as the Secretary of the Army may prescribe, the Superintendent of the Academy may confer the degree of bachelor of science upon graduates of the Academy.

(b) Notwithstanding any other provision of law except section 541 of this title, a cadet who completes the prescribed course of instruction may, upon graduation, be appointed a second lieutenant in the Regular Army.

§ 4354. Buildings and grounds: memorial hall; buildings for religious worship

(a) The memorial hall at the Academy is a repository for statues, busts, mural tablets, portraits of distinguished and deceased officers and graduates of the Academy, paintings of battle scenes, trophies of war, and other objects that may tend to elevate the military profession. No object may be placed in this hall without the approval of two-thirds of the members of the Academic Board of the Academy by a recorded vote taken by ayes and nays.

(b) The Secretary of the Army may authorize any denomination, sect, or religious body to erect a building for religious worship on the West Point Military Reservation, if its erection will not interfere with the use of the reservation for military purposes and will be without expense to the United States. Such a building shall be removed, or its location changed, without compensation for it and without other expense to the United States, by the denomination, sect, or religious body that erected it, whenever in the opinion of the Secretary public or military necessity so requires.

§ 4355. Board of Visitors

(a) A Board of Visitors to the Academy is constituted annually of—

(1) the chairman of the Committee on Armed Services of the Senate, or his designee;

(2) three other members of the Senate designated by the Vice President or the President pro tempore of the Senate, two of whom are members of the Committee on Appropriations of the Senate;

(3) the chairman of the Committee on Armed Services of the House of Representatives, or his designee;

(4) four other members of the House of Representatives designated by the Speaker of the House of Representatives, two of whom are members of the Committee on Appropriations of the House of Representatives; and

(5) six persons designated by the President.

(b) The persons designated by the President serve for three years. Two persons shall be designated by him each year to succeed the members whose terms expire that year.

(c) If a member of the Board dies or resigns, a successor shall be designated for the unexpired portion of the term by the official who designated the member.

(d) The Board shall visit the Academy annually. With the approval of the Secretary of the Army, the Board or its members may make other visits to the Academy in connection with the duties of the Board or to consult with the Superintendent of the Academy.

(e) The Board shall inquire into the morale and discipline, the curriculum, instruction, physical equipment, fiscal affairs, academic methods, and other matters relating to the Academy that the Board decides to consider.

(f) Within 60 days after its annual visit, the Board shall submit a written report to the President of its action, and of its views and recommendations pertaining to the Academy. Any report of a visit, other than the annual visit, shall, if approved by a majority of the members of the Board, be submitted to the President within 60 days after the approval.

(g) Upon approval by the Secretary, the Board may call in advisers for consultation.

(h) While performing his duties, each member of the Board and each adviser is entitled to not more than \$5 a day and shall be reimbursed under Government travel regulations for his travel expenses.

§ 4382. Establishment and composition

(a) The President may establish and maintain in civil educational institutions a Reserve Officers' Training Corps having—

(2) a junior division at other public or private educational institutions.

(b) Each division shall consist of one or more units of the several branches of the Army in the strengths prescribed by the President.

(c) No unit may be established or maintained at an institution, unless—

(2) the institution maintains under military instruction at least 100 physically fit male students for each infantry, armor, or

artillery unit, or at least 50 such students for each other unit, except that an infantry unit may be established and maintained at the University of Alaska if it maintains at least 50 such students under military instruction; and

(3) the authorities of the institution, other than a State university or a State institution required to provide military instruction under section 304 of title 7, agree to establish and maintain a two years' elective or compulsory course of military training as a minimum for its physically fit male students the completion of which is a prerequisite for the graduation of any student beginning the course unless he is relieved of this obligation under regulations prescribed by the Secretary.

(d) Only a person who is a citizen of the United States, who is at least 14 years of age, who is a student at an institution where a unit of the Corps is established, and whose condition shows that he is physically able to perform military duty or that he will be so on becoming of military age, is eligible to be a member of the Reserve Officers' Training Corps.

§ 4383. Medical, dental, pharmacy, and veterinary students: admission

(a) A medical, dental, pharmacy, or veterinary student may be admitted to a Medical, Dental, Medical Service, or Veterinary Corps unit of the Reserve Officers' Training Corps for a course of training consisting of 90 hours of instruction a year for four academic years.

(b) Under such conditions as the Secretary of the Army may prescribe, a medical, dental, pharmacy, or veterinary student who is a commissioned officer of a reserve component of the Army may be admitted to and trained in a Medical, Dental, Medical Service, or Veterinary Corps unit of the Reserve Officers' Training Corps.

§ 4384. Courses of training

The Secretary of the Army may prescribe standard courses of theoretical and practical military training for units of the Reserve Officers' Training Corps. No unit may be established or maintained at an institution unless it provides the course of military training prescribed by the Secretary, and unless its students who are taking that training devote to it an average of at least three hours a week during an academic year, except as prescribed under section 4383 of this title.

§ 4385. Training camps

(a) The Secretary of the Army may—

(1) maintain camps for the further practical instruction of members of the Reserve Officers' Training Corps;

(2) transport members of the Corps to and from the camps and furnish them subsistence while traveling to and from the camps or, instead of transportation and subsistence, pay them a travel allowance of five cents a mile by the shortest usually traveled route from the places from which they are authorized to proceed to the camp and return, and pay the allowance for the return trip in advance;

(a) Under such conditions as he may prescribe, the Secretary of the Army may issue to institutions at which units of the Reserve Officers' Training Corps are maintained—

(1) public animals and forage for them;

(2) means of transportation, arms, ammunition, supplies, and tentage; and

(3) uniforms, except that he may pay commutation at a rate fixed by him annually instead of uniforms.

(b) The Secretary may authorize such expenditures as he considers necessary for the efficient maintenance of the Corps.

(c) The Secretary shall require, from each institution to which property is issued under subsection (a), a bond or other indemnity in such amount as he considers adequate, but not less than \$5,000, for the care and safekeeping of all property so issued except uniforms, expendable articles, and supplies expended in operation, maintenance, and instruction. The Secretary may accept a bond without surety if the institution to which the property is issued furnishes to him satisfactory evidence of its financial responsibility.

§ 4387. Advanced training: compensation

(a) A member of the senior division of the Reserve Officers' Training Corps, including a member of a Medical, Dental, Medical Service, or Veterinary unit, is eligible for advanced training, and is entitled to an allowance for subsistence at such rate, not exceeding the cost of the garrison ration of the Army, as may be fixed by the Secretary of the Army, during the remainder of his service in the Reserve Officers' Training Corps, but not for more than two years, if he—

(5) agrees in writing to take a course, prescribed by the Secretary, at a training camp.

(b) Under such regulations as the Secretary may prescribe, in the determination of a member's eligibility for advanced training and entitlement to an allowance for subsistence under subsection (a), he may be credited with any military training that is substantially equivalent to that prescribed for admission to the advanced course and is received while he is—

(1) in the junior division of the Reserve Officers' Training Corps, or at an educational institution, and under—

(A) an officer of the Army detailed as a professor of military science and tactics; or

(B) a retired or reserve officer of the Army not on active duty who is employed by that institution, with the approval of the Secretary of the Army, as an instructor of military science and tactics;

- (1) the landing of ferries at a military reservation;
- (2) the erection of bridges on a military reservation; and
- (3) the driving of livestock across a military reservation.

§ 4778. Licenses: military reservations; erection and use of buildings; Young Men's Christian Association

Under such conditions as he may prescribe, the Secretary of the Army may issue a revocable license to the International Committee of Young Men's Christian Associations of North America to erect and maintain on military reservations, inside the United States and the Territories, Commonwealths, and possessions, buildings needed by that organization for the promotion of the social, physical, intellectual, and moral welfare of the members of the Army on those reservations.

§ 4779. Use of public property

(a) When the economy of the Army so requires, the Secretary of the Army shall establish military headquarters in places where suitable buildings are owned by the United States.

(b) The Secretary shall assign suitable space for postal purposes at each military post where there is a post office.

(c) No money appropriated for the support of the Army may be spent for post gardens or Army exchanges. However, this does not prevent Army exchanges from using public buildings or public transportation that, in the opinion of the office or officer designated by the Secretary, are not needed for other purposes.

§ 4801. Definition

In this chapter, "settle" means consider, ascertain, adjust, determine, and dispose of a claim, whether by full or partial allowance or by disallowance.

§ 4802. Damage by United States vessels; towage and salvage of United States vessels

(a) Under the direction of the Secretary of Defense, the Secretary of the Army may settle or compromise a claim against the United States for—

(1) damage caused by a vessel of, or in the service of, the Department of the Army; or

(2) compensation for towage and salvage service, including contract salvage, rendered to a vessel of, or in the service of, the Department of the Army.

(b) If a claim under subsection (a) is settled or compromised for \$500,000 or less, the Secretary of the Army may pay it. If it is settled or compromised for more than \$500,000, he shall certify it to Congress.

(c) In any case where the amount to be paid is not more than \$1,000, the Secretary of the Army may delegate his authority under subsection (a) to any person in the Department of the Army designated by him.

§ 4803. Admiralty claims by United States

(a) Under the direction of the Secretary of Defense, the Secretary of the Army may settle, or compromise, and receive payment of a claim by the United States for damage to property under the jurisdiction of the Department of the Army or property for which the Department has assumed an obligation to respond for damage, if—

(1) the claim is—

(A) of a kind that is within the admiralty jurisdiction of a district court of the United States; or

(B) for damage caused by a vessel or floating object; and

(2) the amount to be received by the United States is not more than \$500,000.

(b) In exchange for payment of an amount found to be due the United States under subsection (a), the Secretary of the Army may execute a release of the claim on behalf of the United States. Amounts received under this section shall be covered into the Treasury.

(c) In any case where the amount to be received by the United States is not more than \$1,000, the Secretary of the Army may delegate his authority under subsections (a) and (b) to any person in the Department of the Army designated by him.

§ 4804. Salvage claims by United States

Under the direction of the Secretary of Defense, the Secretary of the Army may settle, or compromise, and receive payment of a claim by the United States for salvage services performed by the Department of the Army for any vessel. Amounts received under this section shall be covered into the Treasury.

§ 4805. Reports to Congress

The Secretary of the Army shall report to the Committees on Armed Services of the Senate and the House of Representatives within 20 days after paying a claim in an amount over \$3,000 under

section 4802 of this title, or receiving payment of a claim under section 4803 or 4804 of this title. The report shall include a description of the claim, the names of the vessels involved, a statement of the amount paid or received, the basis of the determination, and other pertinent information. The Secretary shall also report to Congress at each session all amounts paid or received under those sections during the period covered by the report. However, during a war, the Secretary may omit from a report under this section any information the disclosure of which he believes would prejudice the national security.

§ 4806. Settlement or compromise: final and conclusive

Notwithstanding any other provision of law, upon acceptance of payment the settlement or compromise of a claim under section 4802 or 4803 of this title is final and conclusive.

CHAPTER 453.—ACCOUNTABILITY AND RESPONSIBILITY

Sec.

4831. Custody of departmental records and property.

4832. Property accountability: regulations.

4833. Accountability for public money: disbursing officers; agent officers.

4834. Fidelity bonds: accountable officers; Quartermaster Corps.

4835. Reports of survey.

4836. Individual equipment: unauthorized disposition.

4837. Settlement of accounts: deductions from pay.

4838. Settlement of accounts: affidavit of company commander.

4839. Settlement of accounts: oaths.

4840. Final settlement of officer's accounts.

§ 4831. Custody of departmental records and property

The Secretary of the Army has custody and charge of all books, records, papers, furniture, fixtures, and other property under the lawful control of the executive part of the Department of the Army.

§ 4832. Property accountability: regulations

The Secretary of the Army may prescribe regulations for the accounting for Army property and the fixing of responsibility for that property.

§ 4833. Accountability for public money: disbursing officers; agent officers

Under such regulations as the Secretary of the Army may prescribe, any officer of the Army accountable for public money may intrust it to another officer of the Army to make disbursements as his agent. Both the officer to whom money is intrusted under this section, and the officer who intrusts the money to him, are pecuniarily responsible for that money to the United States.

§ 4834. Fidelity bonds: accountable officers; Quartermaster Corps

(a) Before entering upon the duties of his office, each commissioned officer of the Quartermaster Corps shall give a good and sufficient bond to the United States to account faithfully for all public money and property received by him. A bond required by this subsection shall be in the amount directed by the Secretary of the Army, but the President may at any time direct that the amount be increased.

However, the Secretary may excuse an officer of the Quartermaster Corps who is not accountable for public money or property from giving bond.

(b) The Quartermaster General is not liable for money or property received by a subordinate officer of the Quartermaster Corps.

§ 4835. Reports of survey

(a) Under such regulations as the Secretary of the Army may prescribe, any officer of the Army designated by him may act upon reports of surveys and vouchers pertaining to the loss, spoilage, unserviceability, unsuitability, or destruction of or damage to property of the United States under the control of the Department of the Army.

(b) Action taken under subsection (a) is final, except that action holding a person pecuniarily liable for loss, spoilage, destruction, or damage is not final until approved by the Secretary or an officer of the Army designated by him.

§ 4836. Individual equipment: unauthorized disposition

(a) No enlisted member of the Army may sell, lend, pledge, barter, or give any clothing, arms, or equipment furnished him by the United States to any person other than a member of the Army, or an officer of the United States, authorized to receive it.

(b) If a member of the Army has disposed of property in violation of subsection (a) and it is in the possession of a person who is neither a member of the Army, nor an officer of the United States, authorized to receive it, that person has no right to or interest in the property, and any civil or military officer of the United States may seize it, wherever found. Possession of such property furnished by the United States to a member of the Army, by a person who is neither a member of the Army nor an officer of the United States, is prima facie evidence that it has been disposed of in violation of subsection (a).

(c) If an officer who seizes property under subsection (b) is not authorized to retain it for the United States, he shall deliver it to a person who is authorized to retain it.

§ 4837. Settlement of accounts: deductions from pay

(a) An amount due the United States from an enlisted member of the Army for articles sold to the member on credit under section 4621

(a) (1) of this title shall be deducted from the next pay due that member after the sale is reported to the Chief of Finance. An amount due the United States from an enlisted member of the Army for tobacco sold to him by the United States under section 4623 of this title shall be deducted from his pay in the manner provided for the settlement of clothing accounts.

(b) Under regulations to be prescribed by the Secretary of the Army, any amount that an enlisted member is administratively determined to owe the United States or any of its instrumentalities may be deducted from his pay in monthly installments. However, after the deduction of pay forfeited by the sentence of a court-martial, if any, or otherwise authorized by law to be withheld, the deductions authorized by this section may not reduce the pay actually received for any month to less than one-third of his basic pay for that month.

(c) Subject to subsection (b), an amount due the United States

from an enlisted member may be deducted from his pay on final statement, or from his savings on his clothing allowance.

(d) If he considers it in the best interest of the United States, the Secretary may have remitted or cancelled any part of an enlisted member's indebtedness to the United States or any of its instrumentalities remaining unpaid before, or at the time of, that member's honorable discharge.

(e) The amount of any damage, or cost of repairs, to arms or equipment caused by the abuse or negligence of a member of the Army who had the care of, or was using, the property when it was damaged shall be deducted from his pay.

(f) If, upon final settlement of the accounts of a commissioned officer of the Army charged with the issue of an article of military supply, there is a deficiency of that article, or if an article of military supply with whose issue a commissioned officer is charged is damaged, the value of the lost article or the amount of the damage shall be charged against the officer and deducted from his monthly pay, unless he shows to the satisfaction of the Secretary, by one or more affidavits setting forth the circumstances, that he was not at fault.

(g) An amount due the United States from an officer of the Army for rations bought on credit, and for articles bought on credit under section 4621 (a) (1) of this title, shall be deducted from the next pay due that officer after the sale is reported.

§ 4838. Settlement of accounts: affidavit of company commander

In the settlement of the accounts of the commanding officer of a company for clothing and other military supplies, his affidavit may be received to show—

- (1) that vouchers or company books were lost;
- (2) anything tending to prove that any apparent deficiency of those articles was caused by unavoidable accident, or by loss in actual service without his fault; or
- (3) that all or part of the clothing and supplies was properly used.

The affidavit may be used as evidence of the facts set forth, with or without other evidence, as determined by the Secretary of the Army to be just and proper under the circumstances.

§ 4839. Settlement of accounts: oaths

The Secretary of the Army may detail any employee of the Department of the Army to administer oaths required by law in the settlement of an officer's accounts for clothing and other military supplies. An oath administered under this section shall be without expense to the person to whom it is administered.

§ 4840. Final settlement of officer's accounts

Before final payment upon discharge may be made to an officer of the Army who has been accountable or responsible for public property, he must obtain a certificate of nonindebtedness to the United States from each officer to whom he was accountable or responsible for property. He must also make an affidavit, certified by his com-

manding officer to be correct, that he is not accountable or responsible for property to any other officer. An officer who has not been responsible for public property must make an affidavit of that fact, certified by his commanding officer. Compliance with this section warrants the final payment of the officer concerned.
